Water Quantity Citizens' Advisory Committee Future Meeting Date Set

Kittitas County has organized a Citizens' Advisory Committee that will formulate a recommendation on the quantity of water to be issued with a mitigation certificate from the future county-operated water bank. This group is comprised of twelve community members representing various sectors of the Kittitas County community. The group has held four meetings since October and is continuing to work toward formulating a water quantity recommendation to present to the Kittitas Board of Commissioners in June 2015.

The next meeting will be held on Tuesday, February 17, 2015 at 1:00 PM in the Naneum room at the Kittitas County Fairgrounds, in Ellensburg. Members of the public are welcome to attend.

If you have any questions, please contact the Kittitas County Public Health Department at (509) 962-7515 or environmentalhealth@co.kittitas.wa.us.
