

Kittitas County  
Board of County Commissioners

AGENDA STAFF REPORT

Agenda Date: January 16, 2018

Action Requested: Request approval to advertise a Request for Proposals for Voice over Internet Protocol (VoIP) Phone Systems and Services

---

Background: During the July 31, 2017 IT Study Session the board asked Mr. Goeben to draft a request for proposals (RFP) for voice over Internet protocol (VoIP) phone systems and services to replace the county's phone and voicemail systems from two telephone companies with one unified communication system for all current and future facilities. The IT Department drafted the RFP with input from the Prosecuting Attorney's Office, Accounting, Risk Management, and the Management Team.
