Board of County Commissioners**

Agenda Staff Report

Agenda Date: January 16, 2018

Action Requested: A Resolution correcting the levying certification for the General Fund for municipal purposes of Kittitas County, Washington for the year 2018 according to the assessed valuation as determined in the year 2017.

Background:

Resolution 2017-189 needs to be corrected due to the incorrect amount listed for the Community Services property tax for taxes to be collected in 2018.

The levy rate for the Community Services portion of the General Fund levy, as prescribed by RCW 71.20.110 and RCW 84.55, needs to be calculated based upon a flat levy of .025 per thousand dollars assessed value or the levy amount may be increased or reduced in the same proportion as compared to the prior year's certified county general levy.

The County Assessor's calculation shows the Community Services levy for collection in 2018 should be \$156,750; the levy was approved at \$155,000 for a difference of \$1,750. The total levy needs to remain the same at \$8,100,000 subsequently the General Fund levy is corrected from \$7,900,000 to \$7,898,260.

Recommendation: Request the Board approve the Resolution correcting the levying certification for the General Fund for municipal purposes of Kittitas County, Washington for the year 2018 according to the assessed valuation as determined in the year 2017
