- b. Such liability insurance shall be such as will protect Contractor, its employees, agents and representatives, from all claims, losses, harm, costs, liabilities, damages and expenses arising out of personal injury (including death) or property damage that may result from performance of the Services or this Agreement, whether such performance is by Contractor or any of its employees, agents or representatives.

Response 1:
Project/Event Description*
About: For the past thirteen years, the Suncadia Fund for Community Enhancement (a 501(c) 4 not-for-profit organization), also referred to as SFCE, along with Suncadia Community Council (SCC) and Suncadia resort hospitality and real estate marketing organizations, have hosted well-attended community-wide seasonal festivals scheduled throughout the year. These events are open to the public and there has never been an entry admission or a charge for most of the activities. These events take place outdoors at Dawson Park, The Village Amphitheater and Historic Nelson Dairy Farm located on the Nelson Preserve neighborhood of Suncadia, between the towns of Roslyn and Ronald.

Market: Our primary audience for this event continues to attract overnight resort guests and day visitors from all over the PNW; Suncadia homeowners, their friends and families; and many visitors from our local communities. Our secondary audience includes those visiting for other reasons (other events and conferences) who also have an interest in seasonal festivals.

2| Projections of Increased Tourism

Please provide the following estimates of how any money received will result in increases in the number of people traveling for business or pleasure on a trip:

1. Away from their place of residence or business and staying overnight in paid accommodations;
2. To a place fifty miles or more away from their place of residence or business for the day or staying overnight;
3. or from another country or state outside of their place of residence or business.

You must provide the evidence utilized in determining your projections.

Response 2.1:

Projection*

1. Away from their place of residence or business and staying overnight in paid accommodations;

Projection- The typical attendee will stay the entire weekend, they will arrive on a Friday night and stay through Sunday, usually requesting a late checkout if staying in a local hotel/motel or vacation home. Because the festival hours are scheduled for later in the evening the attendee will seek out other activities to compete their stay, such as dining out at local establishments; shopping in nearby municipalities (including Ellensburg); or other morning/evening events and activities such as outdoor recreation, movies, concerts, or the theater. The same visitors will purchase gas, meals and/ or groceries, and mementos of their stay in Kittitas County.

Suncadia will offer such packages as Stay and Play (overnight stay + resort credit) to encourage festival attendees to stay one or more nights.

Suncadia will offer other activities such as Summer Concerts, late night movies, specials at the Glade Spring Spa., to entice guests to stay longer

Although difficult to quantify due to the "no admission fee" nature of this event, we estimate the attendance for this event to continue to grow each year. We estimated 300 visitors attend the first Art Festival that was held on July 15, 2017, and are confident that we will exceed that number in 2018. The event is an outdoor event but does provide ample tenting and indoor venues should weather be an issue.

Additionally, we plan on adding new attractions such as

- performing artists
- art organizations
- wine tasting
- art classes
- late night entertainment such as live bands

New attractions will attract new users. It is vital that we keep developing this event to encourage tourism to the community.

2500 character limit

Response 2.1:
Evidence * The average "festival" travel party in 2016 spent \$780 when staying in a hotel/motel and those in a private home spent around \$250 per travel party. We estimate that in 2017 tourism dollars will increase by 3-5%. The following activities that visitors can part take in are food and beverage, arts and crafts, and merchandise from a variety of local merchants.

The resort budgeted leisure overnight stays as follows:

2016: 56,289

2017: 58,472

*This is growth of 3.8% which is what we will budget for growth into 2018 as well.

2500 character limit

Response 2.2:
Projection * 2.To a place fifty miles or more away from their place of residence or business for the day or staying overnight;

Projection- A major goal of the Suncadia Fund for Community Enhancement is to plan events that encourage visitors to stay overnight who are more than 50 miles away. Overnight stays increase opportunities for larger numbers of visitors to patronize local business. To reach such visitors such items will be produced banners, flyers and posters. Our annual marketing (in-house) has a list of over 33,0000 loyalty members that will receive e-blast, e-newsletters and package enticing them to come over for the day. They will also focus on strategies such as Facebook, Instagram, Facebook, website and print. Once to Suncadia Resort there are various retail and food establishments that visitors can visit that will impact the economic make up of Kittitas County.

4| Collaboration

If your organization collaborates or has created partnerships with other organizations, groups, or other events, how is this accomplished?

Collaboration *

In addition to the many partnerships, the resort enjoys a robust group conference business that brings in many PNW organizations to the area. Many of the attendees of these conferences make return to visits to the area with their families and friends to attend such events as Harvest Festival. A link to the Kittitas County Website has been added to our website so visitors can be educated on all the recreation Kittitas County has to offer.

Additionally, we are working on a marketing plan to further partner with more local and national organizations as well as a charity contribution for The Art Festival. This plan would include sponsorships for the event with an over donation to a local charity. This will be a marketing plan that will be occurring year or year.

5| Future Plans

Please explain what plans exist to allow this project to become self-sustaining. Include any plans for ticket sales, event sponsors, and other cost-recovery models.

Future Plans*

The goal of this event is to bring out- of towners to into our community and provide them with a weekend full of art and entertainment. With this being said, there are no active plans in place for this event to become self-sustaining. With this event going into it 2nd season we have discussed that this event institute a small admission fee/donation to assist in recouping some of the cost of the event, but the SFCE and Suncadia have thus far resisted this idea due to the negative impact such a fee might have on the "spirit" of the event. However, in 2018, to grow the event additional sponsorships will/may need to be considered to assist with making the event more robust. Currently, those all activities that have taken place are free for all festival attendees.

A plan to self-sustain has been created to insure that this event continue as it is a key event to the community. Strategies would include-

- Partnerships with the following organizations to sponsor such activities (entertainment, tent rentals, art projects).

- o Suncadia Resort to fund the event

- o Coke

- o Sysco

- o Duck Delivery

- o United Salad

- o DPI

- o Chinook Entertainment

- o Swiftwater Cellars

- o Suncadia Homeowners Association

- o Local Community Support

- An admission fee

- Small fee for activities

- Suncadia to donate all labor/venue/all marketing

- Raffles

Funding Shortfalls * What changes would occur if the project couldn't be funded?
 The changes that would occur if this project could not be funded include
 • Decrease in complimentary events and activities or begin charging for these activities
 • Admission Fee to Art Festival
 • Vendor Fees
 The idea of the Art Festival was created to support the local community and artists. If this event was unable to receive no funding and was unable to happen this next summer, the impact on the local community, artists, vendors and small business would be devastating. The art festival supports many local business through purchasing supplies and materials, as well artists will be relying on the event to happen every year. Additionally, since we are planning on a more robust programming for 2018 the cancellation of this event would not allow us to create new collaborations with other local community organizations.
