

KITTITAS COUNTY
DEPARTMENT OF PUBLIC WORKS

AGENDA STAFF REPORT

AGENDA DATE: February 7th, 2017

ACTION REQUESTED: Approve County Road Project for the repair and re-establishment of Taneum Road from MP 3.80 to MP 3.98

BACKGROUND: Currently Taneum Road from MP 3.80 to MP 3.98 is restricted to one lane of traffic and under a stop controlled condition. This was required due to the washout and erosion of the roadway by Taneum Creek during a high flow event in 2016.

Public Works intends to design the project in house which will include repair of the roadway, bank and stream stabilization measures, and possibly some realignment in order to re-establish two lanes of traffic.

During the budget adoption process the BOCC recommended including the proposed project and adopted it as part of the 2017 budget. The project is formally included in the annual construction program for 2017.

Upon CRP approval the project will be designed and constructed by Public Works staff in 2017. The project will be paid using county road funds.

INTERACTION: Public Works

RECOMMENDATION: Board of County Commissioners to approve and sign the CRP form for the Taneum Road Realignment – Slope Stabilization MP 3.80 to MP 3.98 Project.

HANDLING: Return one original to Public Works

ATTACHMENTS: CRP form for Board approval

LEAD STAFF: Lucas Huck
County Engineer

RESOLUTION NO. _____

BEFORE THE BOARD OF COUNTY COMMISSIONERS OF KITTITAS COUNTY, STATE OF WASHINGTON, in the matter of initiating a county road project designated as:

CRP NO: 274-17

JOB NO: RC1571-E1

IT IS HEREBY RESOLVED that the Taneum Road from MP 3.80 to MP 4.00 be improved as follows:

Repair a portion of the roadway that has washed out; construct slope stabilization, re-align, and re-establish two lanes of traffic.

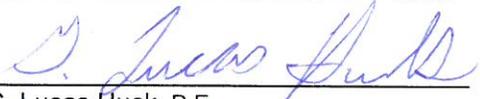

ARTERIAL

ACCESS

This project is hereby declared to be a public necessity and the County Engineer is hereby ordered and authorized to report and proceed thereon as by law provided. (RCW 36.75.050, 36.80.030, 36.80.070).
