

**KITTITAS COUNTY**  
**Board of County Commissioners**

**AGENDA STAFF REPORT**

**AGENDA DATE:** March 7, 2017

**ACTION REQUESTED:** Request Boards signature on the Amendment to the CH2M for the Kittitas County Transfer Station Relocation Feasibility Study

---

**BACKGROUND:** The current Ellensburg transfer station was built in 2001 to service the lower Kittitas County area. Since its construction the services provided at the facility have grown and the need for material diversion has changed. With the current facility we are limited on space which in turn limits the types of services we can provide.

The first phase of the project has been completed which provided the size and layout of the property needed. Phase two will look closely at areas of the lower county which would be able to accommodate the facility and the necessary infrastructure.

**INTERACTION:** Solid Waste, CH2M

**RECOMMENDATION:** Recommend the Boards signature on the Amendment to the Professional Service Agreement.

**HANDLING:** Return copy to Solid Waste

**ATTACHMENTS:** Amendment

**LEAD STAFF:** Patti Johnson
