Special reasons for wishing to serve on the Board or Commission:

I love living in Kittitas County, and have a vested interest in its future. Growth management, rural character, tourism, fiscal responsibility, and the necessity of a strong jobs base must all be integrated. I've lived in many different states and countries throughout my adult life, and believe I can offer a unique perspective for this board.

What advisory panels, Boards/Commissions have you previously served on?

I served on the Brownfield Advisory Panel for the City of Ellensburg while they had an active EPA Brownfields Grant. I've served on various PTA boards through the years, volunteered as a boys basketball coach for many years, organized local pet vaccination events, etc.

Please list any training or experience you have that would be beneficial to serving on the Board or Commission: I have extensive public speaking and communication training. I am an active listener and work well within a group setting.
