GENERAL APPLICATION INFORMATION

This application handbook provides information and forms to apply for a 2017 Public Services Grant from the state Community Development Block Grant (CDBG) program.

CDBG Public Services Grants are distributed through a regional-based approach with rural counties to ensure all CDBG nonentitlement areas of the state have equitable access to CDBG-funded services. Each of the 17 eligible county grantees has determined to continue to partner with its local community action program as grant subrecipient and service provider for the 2017 funding year. This partnership builds upon the existing community action program network. The CDBG Public Services Grant allocation formula determines the specific grant amounts and was updated to incorporate current population estimates and poverty rates for each regional service area.

APPLICATION CHANGES FROM 2016

The application forms have been updated. To ensure your application meets CDBG requirements and to expedite processing, **DO NOT** use previous application versions.

- The Environmental Review exemption form has been updated and is required this year.
- The Quarterly Beneficiary Report has been updated.

AWARD AND CONTRACTING TIMELINE

Once Commerce receives and approves the county’s application for a CDBG Public Services Grant, it will send an award letter and two copies of the grant contract for county signature. A fully executed grant contract between Commerce and the county, and an executed subrecipient agreement between the county and the subrecipient are required before the release 2017 CDBG funds. This timeline and funding are contingent upon the state’s receipt of 2017 CDBG funds from the US Department of Housing and Urban Development (HUD).

Note: Given the 2017 federal fiscal year is currently operating under a continuing resolution, we recommend 2017 CDBG grant recipients anticipate a delay in the availability of the federal funds.

ELIGIBLE ACTIVITIES

CDBG eligible activities can be found in the Code of Federal Regulations: Title 24-Housing and Urban Development, Chapter V, Part 570, C, Section 570.201 on page 39. Further definitions of CDBG eligible public services and specific guidance on housing-related services are on pages 43-44.

To be CDBG eligible, the service must meet the following five criteria:

1. Be on HUD's list of public services, or be a substantially similar service and not on the list of ineligible public services.
2. Be identified as a new service or an increased/improved level of service. See instructions to this application's Project Description and LMI Benefit Table for definitions.
3. Be directly linked to delivery of a specific service to a client.
4. Principally benefit low- and moderate-income (LMI) persons. See instructions to this application's Project Description and LMI Benefit Table for more information. The current Income Limits chart is on the CDBG website and LMI is up to 80% of median household income by family size.
5. Target residents of CDBG non-entitlement areas (outside of CDBG entitlement cities). The state CDBG program cannot fund activities that benefit residents in CDBG entitlement cities, since these cities receive CDBG funds directly from HUD. The ineligible CDBG entitlement cities, located in eligible state CDBG counties are:

Anacortes
Bellingham
East Wenatchee
Kennewick

Longview
Mount Vernon
Pasco
Richland

Walla Walla
Wenatchee
Yakima

INELIGIBLE ACTIVITIES

In general, any activity not described above is not eligible. Specifically, Public Services Grants cannot fund:

1. Activities and administrative costs eligible under another CDBG fund, such as:
 - Planning and community organization activities, not directly linked to the delivery of an eligible public service to a client. Unlike CSBG, CDBG cannot fund general outreach activities or partnership building activities, unless you can count and report on the clients receiving a direct service from those activities.
 - Housing rehabilitation, including weatherization
 - Facility acquisition, construction or renovation
2. Administrative costs for the general management of the organization
3. Lobbying and political activities
4. Direct payments to individuals for their food, clothing, utilities or other income payments. (Income payments or emergency vouchers paid to a third party for no more than three consecutive months may be eligible.)
5. New housing construction costs, including administration of new housing development programs

PROJECT SUMMARY INSTRUCTIONS

The Project Summary should be the first page inside the cover of the application. **Every block must be accurately completed before the application is submitted.** Not completing this form slows down the Commerce's processing of your application, entry into state and federal databases, and your availability to CDBG funds.

1. Predetermined: CDBG Public Services Grant
2. Jurisdiction information:
 - Provide the postal code + 4, required by the federal contracts database.
 - The federal tax identification number is usually a "91-" number.
 - The jurisdiction's statewide vendor (SWV) number is necessary to release funds from the state to the local government. You can obtain a SWV number at: <http://des.wa.gov/services/ContractingPurchasing/Business/VendorPay/Pages/default.aspx>
 - A Data Universal Number System (DUNS) number is required for recipients of federal funds. Obtain a DUNS number at: fedgov.dnb.com/webform
 - List the expiration date of the applicant jurisdiction's SAM.gov registration. Recipients of federal funds must renew their registration each year in the System for Award Management (SAM). You can create or update your record in SAM.gov at sam.gov/portal/public/SAM.
3. Provide information on the person who will be the county contact for Commerce during the CDBG grant contract period.
4. Provide information on the subrecipient that will benefit from the project or receive CDBG funds as a pass through.
 - Provide the organization's legal name for contracting purposes
 - List the organization category: Non-Profit, Faith-Based, or Institute of Higher Education
 - A Data Universal Number System (DUNS) number is required for subrecipients of federal funds. Obtain a DUNS number at: fedgov.dnb.com/webform
5. List the month and day of the applicant's fiscal year from beginning to end.
6. List the county(s) to be served by this grant since some subrecipient agencies serve a multiple county area.
7. List the numbers of the state and congressional districts.
8. Predetermined
9. Predetermined: LMI Limited Clientele, based on the Benefit Table.
10. Summarize the annual project budget amount and funds leveraged for the July - June grant contract period.
 - List the applicable 2017 CDBG total award (which includes county administration funds) from the CDBG Public Services Grant Amounts table on page 9. The CDBG amount cannot exceed the amount requested in the Resolution of Certifications of Compliance or CDBG maximum limits.
 - CDBG program income is any income generated from the use of a prior or current CDBG award (not just Public Services Grants) that totals at least \$35,000 in a calendar year.
 - List by type the estimated amounts of other funding sources to be used for the service(s) you list on your Project Description form. In the unlikely case that CDBG is the only funding source for the service program(s), then list only the CDBG amount in box 10.
 - There is no match requirement to receive CDBG grant funds.

11. List the number of project beneficiaries for the July - June grant contract period. First complete the application's Project Description and LMI Benefit Table before summarizing the data here.
 - Estimate the total number of unduplicated persons for each level of service (N, I or S). If you estimate a person is to receive more than one service, pick the best one for these estimates so the numbers of persons in the level of service rows **add up** to the total number of persons to be served.
 - Based on agency data and income qualification criteria for the CDBG-funded services, estimate the number of LMI persons to benefit.
 - Divide the number of LMI persons by the number of persons to calculate the LMI percentage. **The LMI percentage must be at least 51%.**
 - Detailed demographic data on actual persons served will be reported on the Quarterly Beneficiary Reporting Form, provided on page 69.
12. Predetermined
13. List the street address, city and postal code of primary location of subrecipient services (if different than 4.) If CDBG funds will be used primarily for services offered from a satellite office rather than the subrecipient main office, list the address of that satellite office instead.
14. This form and certification must be signed by the county's Chief Administrative Official or the county official designated in the Certification of Compliance must sign. An **ORIGINAL** signature must be submitted.

PROJECT DESCRIPTION AND LMI BENEFIT TABLE INSTRUCTIONS

The project description must be detailed enough for Commerce to understand what direct services will be accomplished with CDBG funds and how the activities meet the CDBG definition of an eligible public service that provides a direct benefit to principally low- and moderate-income persons.

The proposed service activities must be eligible based on the lists of eligible and ineligible public services found on pages 12 and pages 39-44.

Section A: Activities

List each service to be CDBG funded during the July – June grant contract period. The program name and service description is used to confirm CDBG eligibility, understand the important services being provided for county residents, and approve each CDBG payment request. Before approving payments from this grant, Commerce and the county must confirm each CDBG payment request and Expenditure Report correlates with a service described here to ensure CDBG funds are supporting the intended, approved programs.

To improve accountability, we encourage funds be distributed between fewer activities. However, additional rows may be added to this form. In each row complete:

1. **NAME of Service Program:**

List the activity by the PROGRAM/SERVICE NAME used by the community action program/service provider.

- Do not use general terms such as “linkages,” “outreach” or “partnership building” that imply agency development work and do not clearly describe a CDBG eligible direct client services to be funded. Instead of linkages, if CDBG is to fund a staff person who refers clients to a wide range of potential resources, then the program name can be Resource Referral, the description would explain the client intake and referral services, and the HUD code would be 05. Outreach costs to inform clients of a specific program can be an allowable expense, but only as part of that program’s service delivery costs. Outreach is not an eligible CDBG public service in of itself. Specific partnership building costs necessary to provide a direct client service could be an allowable expense as part of that program’s service delivery costs and that Program Name and service description would be listed in the table.
- **Housing Related Services** – Many housing related activities are not eligible as a CDBG public service because they are eligible instead for a housing rehabilitation, facility or homeownership assistance type of CDBG grant. Make sure your program name and service description of any housing related services clearly shows how the service meets the definition of an eligible CDBG public service. Additional guidance is provided in the appendix on page 43-44.

2. **DESCRIPTION of Services:**

Provide a DESCRIPTION of the direct service received by the client. The service description must be detailed enough for Commerce to compare to the lists of eligible and ineligible public services found on pages 12 and pages 39-44 to and confirm eligibility.

3. **HUD Code:**

Use the table beginning on page 39; Public Services Definitions and Codes to identify the applicable code to list. If a HUD heading or definition doesn’t match the service, then provide a clear description of the client service and code it as 05 (Other Public Services).

Section B: Level of Service

In each row, choose whether the service is providing persons (**N**) new or continuing access to a service, (**I**) improved access to a service, or (**S**) a service that is no longer substandard. HUD has provided only limited guidance for defining these levels of service. While a service might fit under more than one level of service, please select the one that most applies for that service. What you list in this column will guide how you complete Box 11. Project Beneficiaries, on the Project Summary form.

(N) New or Continuing Access to a Service - A client service that was not offered by the subrecipient prior to the new CDBG program year or that would not be continuing but for the CDBG funding.

(I) Increased Access to a Service - A quantifiable increase in the number of persons served; an expansion of the type of clientele; an addition of new locations, or the removal of barriers to access the service as a result of CDBG funding.

(S) No Longer Substandard Service – A client service that, after being documented as not meeting a standard defined by the service program’s primary funder or by agency plans, meets a standard level of service as a result of CDBG funding. HUD does not define a substandard service in its CDBG guidance.

Section C: Number of Persons

For each row, estimate the total unduplicated number of persons to directly receive the service during the July – June grant contract period. Detailed demographic data on actual persons served will be reported on the Quarterly Beneficiary Reporting Form, provided in the appendix.

Section D: Method of Ensuring Benefit to LMI Persons

For each row, describe the METHOD for ensuring how each activity will principally benefit low- and moderate-income (LMI) persons that are CDBG non-entitlement residents.

LMI - CDBG activities must principally benefit LMI persons. Generally, a subrecipient can claim the activities meet HUD’s LMI Limited Clientele criteria in at least one of the following ways:

1. If an activity exclusively targets persons in one of the HUD-defined special groups, it can be presumed to principally benefit LMI persons. These special groups include:

- *Abused children*
- *Elderly persons*
- *Illiterate persons*
- *Persons living with AIDS*
- *Battered spouses*
- *Homeless persons*
- *Migrant farm workers*
- *Severely disabled adults*

OR

2. Information on family size and income is available and shows at least 51% of the activity’s clientele meet and will continue to meet the LMI income criteria.

OR

3. Income eligibility requirements limit the activity to LMI persons only.

OR

(Use #4 below as a method only under very limited circumstances and providing a written description of both the nature and location for Commerce to submit to HUD)

4. Be of such nature and location that it may reasonably be concluded that the activity’s clientele will primarily be LMI persons.

If you cannot meet the LMI Limited Clientele criteria above or want information on meeting the LMI Area Benefit or LMI Jobs criteria instead, contact the CDBG program.

CDBG Non-entitlement - The following subrecipient regional service areas include CDBG entitlement jurisdictions or other state areas: CAP (Lewiston, ID), C-DCAC (East Wenatchee, Wenatchee), LCCAC (Longview), B-FCAC (Kennewick, Pasco, Richland), OC (Bellingham), SCCAA (Anacortes, Mt. Vernon), CACLMT (Thurston Co), BMAC (Walla Walla). Applications for these subrecipients must also describe the method for ensuring the grant **ONLY** benefits CDBG non-entitlement residents.

Verifying the client’s address or the location of services are examples of methods for targeting the benefit to only CDBG non-entitlement area residents.

CITIZEN PARTICIPATION

Public participation is a CDBG requirement. This guide includes detailed information on how to meet the federal requirements. Sample notices and handouts are included.

Review ALL the materials with the staff person responsible for public hearings and establish a timeline for completion. You can't start on this aspect of your application too soon.

To apply for CDBG funds, a jurisdiction must show it has involved its citizens in the CDBG application process and complied with the specific federal citizen participation requirements outlined in 24 CFR 570.486. The purpose of these activities is to inform residents and decision-makers of the availability of CDBG funds and to provide an opportunity for community members to present potential projects and offer input on proposed projects.

√ **HELPFUL HINT:** Plan for the required initial public hearing NOW! Decide the hearing date and then work backward to determine when and how the public announcement must be published to allow sufficient notice time and outreach.

If a jurisdiction intends to apply for more than one type of CDBG grant during the same year, it is advisable to contact the CDBG office to discuss how to coordinate these citizen participation and public hearing requirements.

THE MINIMUM CITIZEN PARTICIPATION STEPS

1. **Assess Demographics.** Review local demographic data to determine if it is reasonable to expect a significant number of non-English speaking residents to participate in the public hearing. Advertise and conduct the public hearing in accordance with this assessment.
2. **Develop and Publish Notice.** Publish an official announcement of the hearing, providing reasonable advance notice. A sample public hearing notice with required language is provided on page 48.
3. **Conduct Hearing.** Conduct at least one public hearing prior to submission of the CDBG application. This hearing must be held at a convenient time and location to encourage citizen participation. At the hearing, distribute the CDBG handouts on the availability and eligible uses of CDBG funds, and the CDBG citizen participation regulations at the public hearing. CDBG public hearing handouts are provided on page 51-53. Spanish versions of the handouts are available on page 55-57.
4. **Adopt Grievance Procedure.** Adopt a grievance procedure for the use of CDBG funds. The grievance procedure must provide citizens the address, phone number, and times for submitting complaints and grievances, and provide timely written answers to written complaints and grievances, within 15 working days where practicable. A sample grievance procedure is provided on page 49.
5. **Document Citizen Participation.** Complete and submit the Citizen Participation Documentation form with all necessary public hearing documentation as part of your CDBG application.

CITIZEN PARTICIPATION REQUIREMENTS INFORMATION

A. What is a Public Hearing?

A public hearing is a meeting of a governmental body during which the public is invited to the council or board of county commissioners, who will primarily listen and receive public input. The comments received go into the public record. A public hearing may be held as part of a regularly scheduled public meeting, but do not assume a regular council or board meeting automatically meets the public hearing requirement.

B. Meeting the Needs of Non-English Speaking Residents

The federal citizen participation regulations state that "public hearings shall be conducted in a manner to meet the needs of non-English speaking residents where a significant number of non-English speaking residents can reasonably be expected to participate." The applicant jurisdiction must review local demographic data and consider the potential impacts of the proposed project to determine the appropriate outreach steps and accommodations to meet the needs of non-English speaking residents.

If the result is over 10% for any single language, then additional outreach and additional accommodations are necessary as described in the Citizen Participation Documentation form and sample Public Hearing Notice to encourage participation from non-English speaking residents.

Of the 17 counties proposed to receive a 2017 CDBG Public Services Grant, only the following counties show over 10% of the population speaks English "less than very well". This information is based on Table Number DP02 "Selected Social Characteristics in the US 2011-2015 American Community Survey 5-Year Estimates", "Language Spoken at Home" section. Data on the number and percent of non-English speaking residents in a jurisdiction can be found on the US Census website at <http://factfinder2.census.gov>

County	Language	Percentage
Grant County	Spanish	17.1%
Yakima County	Spanish	16.0%

C. Public Hearing Notice

When must the advance notice be made? A legal notice is generally published at least two weeks before the hearing date. The notice must meet the local public hearing notice requirements.

Where must the notice be made? – The hearing must be well advertised, generally in the official local paper. If it meets the local notice requirements, the hearing notice can be on an official on-line source. In addition, public notice can be made using community bulletin boards, local newsletters, billing statements, newspaper articles or door-or-door distribution. Residents within those areas in which CDBG funds are proposed to be used, especially the low- and moderate-income persons, should be encouraged to attend or provide comment.

What must the notice say? – A sample notice is provided on page 48.

D. Public Hearing Logistics

What must the CDBG hearing cover? – The purpose of the hearing is to obtain citizens' views and respond to proposals and questions. The hearing must cover community development and housing needs as well as the availability of CDBG funds. This purpose is supported by distributing the required CDBG handouts. Distributing additional materials describing the proposed project(s) is advisable. Spanish versions of the handouts are available on page 55-57.

Who must conduct the hearing? – The applicant county must conduct the hearing. Although some applications are developed by potential subrecipients such as community organizations or special districts, these organizations cannot conduct the hearing and have it meet CDBG requirements.

When must the hearing be held? – Prior to submission of the CDBG application and within 18 months of the application submittal date.

Where must the hearing be held? – The hearing location must be accessible to persons of disability. The location must also be convenient for persons likely impacted by the proposed project. This is particularly relevant for a county proposing a project in a community that is far from the county seat.

√ **NOTE: If funded**, an additional public hearing will be required towards the end of the project to review and receive comments on the project's performance. This final public hearing should be included in your proposal's Work Plan and can be conducted at the same time as the new public hearing (see item #5 of the sample public hearing notice). Also if funded, a public hearing would be required if activities are proposed to be added, deleted or substantially changed from the original proposal.

E. Grievance Procedure

What must the procedure do? – The grievance procedure must provide citizens the address, phone number, and times for submitting complaints and grievances, and provide timely written answers to written complaints and grievances, within 15 working days where practicable. An existing Grievance Procedure may be submitted with the application. A sample grievance procedure is included on page 49.

SAMPLE PUBLIC HEARING NOTICE (FOR CDBG PUBLIC SERVICES GRANT ONLY)

The following six clauses meet CDBG public hearing notice requirements to both closeout the 2016 CDBG contract **and** apply for 2017 CDBG funding. Additional information can be added to these required clauses to meet specific local announcement needs and to encourage participation.

If a local government intends to apply for more than one type of CDBG grant during the same year, it is possible to coordinate these citizen participation and public hearing requirements so that one hearing covers multiple applications.

If the local government's assessment of demographic data shows there is a significant population of non-English speaking residents (see the Citizen Participation Documentation form), then select the applicable accommodation clause below and publicize this notice also in the alternative language.

1) Logistics Clause: (Where/When)	NOTICE IS HEREBY GIVEN that a public hearing will be held by the (<i>county board of commissioners</i>) in the (<i>council chambers/hearing room</i>), (<i>location</i>), on (<i>date and time</i>).
2) Purpose Clause:	The purpose of the public hearing is to review community development and housing needs, inform citizens of the availability of funds and eligible uses of the state Community Development Block Grant (CDBG), and receive comments on proposed activities, particularly from lower income persons residing in the (<i>name of area</i>) area.
3) Funding Clause: (describing the availability of CDBG funds and eligible uses)	\$(<i>enter total grant amount</i>) is proposed to be available annually to the county and the (<i>subrecipient name</i>) to fund public services that principally benefit low- and moderate-income persons.
4) Comment clause:	An overview of the proposed public services will be available for review at the (<i>location – government office and/or agency</i>), (<i>time and date</i>). Comments may also be submitted in writing to (<i>county</i>), (<i>time period</i>).
5) 2016 contract closeout clause:	Comments on the county's and community action program's past performance and use of their 2016 CDBG Public Services Grant will also be received.
6) Accommodation Clause: (select the applicable option based on the assessment in your Citizen Participation Documentation form)	<p><u>Option A – for standard use</u></p> <p>The (<i>council chambers/hearing room</i>) is handicap accessible. Arrangements to reasonably accommodate special needs, including handicap accessibility or interpreter, will be made upon receiving 24-hour advance notice. Contact (<i>name</i>) at (<i>number, location</i>).</p> <p><u>Option B – use when significant number of non-English speaking residents</u></p> <p>A (<i>insert alternate language</i>) interpreter will be available. The (<i>council chambers/hearing room</i>) is handicap accessible. Additional arrangements to reasonably accommodate special needs will be made upon receiving 24-hour advance notice. Contact (<i>name</i>) at (<i>number, location</i>).</p>

SAMPLE GRIEVANCE PROCEDURE

This sample grievance procedure is intended to serve as a guide and should be revised to reflect local circumstances and to incorporate any applicable state or local laws.

The Grievance Procedure can be the local government's complaint process if it meets the standards of the CDBG citizen participation regulations.

If a local grievance procedure has been accepted by the CDBG program staff for a prior CDBG project it can be submitted for a new project, unless that procedure's scope is clearly limited to the prior CDBG project and is not general for a new CDBG project.

An ADA Grievance Procedure does not meet this requirement.

1. Submit complaints in writing to the designated official (such as the county clerk/administrator/executive) for resolution. A record of the complaints and action taken will be maintained. A decision by the designated official will be rendered within 15 working days.

 2. If the complaint cannot be resolved to your satisfaction by the designated official,
 - It will be forwarded to a committee appointed by the governing body. This committee's membership, its ground rules or procedures for hearing complaints, and how the committee can be contacted will be available to the public. The committee will be directed to hear such complaints in an objective, public manner, and after adequate public notice. A written decision will be made within 30 working days. Proceedings of the committee will be recorded and maintained.
- OR
- The complaint will be heard and discussed by the governing, elected body at an open, public meeting. A written decision will be made within 30 working days. The decision of the governing body is final.
3. A record of action taken on each complaint will be maintained as a part of the records or minutes at each level of the grievance process.

- c. Records required to determine the eligibility of activities;
- d. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
- e. Records documenting compliance with the civil rights components of the CDBG program;
- f. Financial records as required by 24 CFR 570.502, and 2 CFR 200.333;

2. Access to Records and Retention

The grantee, the Washington State Department of Commerce, and other authorized representatives of the state and federal governments shall have access to any books, documents, papers and records of the Subrecipient that are directly pertinent to this Agreement for the purposes of making audit, examination, excerpts and transcriptions.

All such records and all other records pertinent to this Agreement and work undertaken under this Agreement will be retained by the Subrecipient for a period of six years after final audit of the

Local Government's CDBG project, unless a longer period is required to resolve audit findings or litigation. In such cases, the Local Government will request a longer period of record retention.

3. Audits and Inspections

All Subrecipient records with respect to any matters covered by this Agreement will be made available to the Local Government, Commerce, and duly authorized officials of the state and federal government, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within 30 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.

The Subrecipient that expends \$750,000 or more in a fiscal year in federal funds from all sources hereby agrees to have an annual agency audit conducted in accordance with current Local Government policy concerning Subrecipient audits and 2 CFR 200.501. The Catalog of Federal Domestic Assistance (CFDA) number is 14.228.

C. Reporting

1. Program Income

The Subrecipient will report annually all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with CDBG funds made available under this Agreement. The use of program income by the Subrecipient will comply with the requirements set forth at 24 CFR 570.504.

2. Periodic Reports

The Subrecipient, at such times and in such forms as the Local Government may require, will furnish the Local Government such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement.

D. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement will be in compliance with the requirements of 2 CFR 200.311 and 313, 24 CFR 570.502, 570.503, 570.504, as applicable, which include but are not limited to the following:

1. The Subrecipient will transfer to the Local Government any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 will be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until ten (10) years after the contract between Commerce and the Local Government is closed. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for this 10-year period of time, the Subrecipient will pay the Local Government an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property after the CDBG program's approval. Such payment will constitute program income to the Local Government. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the ten-year period.

3. In cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds will be program income. Equipment not needed by the Subrecipient for activities under this Agreement will be (a) transferred to the Local Government for CDBG-eligible activities as approved by the CDBG program or (b) retained after compensating the Local Government.

B. Section 3 of the Housing and Community Development Act of 1968

Compliance in the Provision of Training, Employment, and Business Opportunities:

1. The work to be performed under this agreement is on a project assisted under a program providing direct federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given lower-income residents of the project area; and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part, by persons residing in the area of the project.
2. The parties to this contract will comply with the provisions of said Section 3 and the regulations set forth in 24 CFR 135, and all applicable rules and orders of HUD and Commerce issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability that would prevent them from complying with these provisions.
3. The Subrecipient will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under this Section 3

clause and will post copies of the notice in conspicuous places available to employees and applicants for employment or training.

The Subrecipient will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR 135 and will not let any subcontract, unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
5. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 135, and all applicable rules and orders of HUD and Commerce issued hereunder prior to the execution of the contract, will be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors, and assigns. Failure to fulfill these requirements will subject the applicant, or recipient, its consultants and subcontractors, its successors and assigned to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 CFR 135.

Notice of any such assignment or transfer will be furnished promptly to the Local Government and Commerce.

2. Conflict of Interest

No member of the Local Government's governing body and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning or carrying out of the project, will have any personal financial interest, direct or indirect, in this Agreement; and the Subrecipient will take appropriate steps to assure compliance.

The Subrecipient covenants that its employees have no interest and will not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of services hereunder. The Subrecipient further covenants that in the performance of this Agreement, no person having such interest will be employed.

This form should be completed by the contract subrecipient and sent to the CDBG Grantee (county). The CDBG Grantee (county) should send this form to the CDBG project manager.

This form has been updated to calculate totals in each column. To activate the imbedded Excel table in the worksheet; you must double click on the table area, to close the worksheet just click outside the table area.

Item 1: Unduplicated Count of Persons Assisted.

Reporting Period:

Insert the unduplicated number of clients served during the reporting period. Unduplicated means that one person served by your agency is counted once during the calendar year. You may report only those persons for whom you maintain written records. This record must be established at the time the person is first served by your agency.

Race:

Insert the ethnicity for the unduplicated clients served during this reporting period. When completing this section, if the individual is not Hispanic or Latino, use the first column labeled #Total. If the individual is Hispanic, use the first column to identify race (which gives us a total), then count the individual in the second column, which is a subset of the first column.

Single Head of Household; Elderly, and Disabled:

Insert the unduplicated number of single female head of households with dependents/children served during the reporting period. Insert the unduplicated number of Elderly and Disabled, if your agency tracks this data. If services are provided to “Elderly” populations with CDBG funds, it is expected that your agency will track this data

Income:

Insert the unduplicated clients (not households) served who are *Moderate Income* (51–80%), *Low-Income* (31-50%) and *Extremely Low-Income* (0-30%)
