RE: E911 Agenda Item

ACTION: Consider E911 contract amendment for State FY2017
#E17-021A

BACKGROUND: By RCW, enhanced 911 services are a county obligation, which Kittitas County delegated to KITTCOM. Two sources are used to fund the mandate; a local \$.70 per month per access line tax and grants from the State Enhanced 911 Program Office for WAC eligible services and equipment not fully funded by local E911 tax revenue.

The E9-1-1 Operations Contract has a decreased amount from the original contract, due to updated expenditures for training/meetings being less than anticipated. This is an amendment to the Operations Contract, it does not include Capital Equipment purchases.

INTERACTION: Contract Amendment E17-021A for E911 operations is before the Board for consideration.

RECOMMENDATION: Authorize the Board Chairman to sign the Enhanced 911 contract with the Washington State Military Department.

HANDLING: Return two copies of the executed contract to the Military Department along with a signature page.

ATTACHMENTS: A contract and signature page from the Washington State Military Department.
