Subject: Grant Increase for Instructor Support

Date: June 7, 2017

In recognition of the long-term support of the Recreational Boating Safety program and the fiscal, personnel, and logistic expenditures made by your agency by providing instructors to State Parks we are increasing your grant amount.

Your agency for providing instructor(s) to the State Parks RBS program will be immediately awarded an additional \$5000.00 to your Federal Financial Assistance Grant. Your current grant amount of \$14,129.28 is increased to \$19,129.28 upon receipt of this notification. As State Parks has grown the number and types of boating courses offered, it has required much more support and participation from your personnel and your agency.

This bonus amount may change from year to year based on multiple factors that affect the Federal Financial Assistance Grants. However, it is State Parks intention to compensate your agency for actively supporting Recreational Boating Safety in Washington State by going beyond the call of duty. Without your personnel and the support provided to them by your agency, our ability to offer basic and advanced level marine law enforcement training would be severely impacted.

Please do not hesitate to email or call Hoyle Hodges 360-902-8835 hoyle.hodges@parks.wa.gov Marine Law Enforcement Coordinator if there are any questions.
