Dear Senator Warnick,

Thank you for presenting at our County budget retreat on July 13, 2017. We appreciate you taking the time out of your busy schedule to provide information to our County Management Team about the recent legislative session and the state budget.

Your participation was valuable to us and allowed our County leaders the sometimes rare opportunity to engage with you directly about wide range of issues important to counties. Equally, we hope that hearing from us provides you with information and insight which is helpful in your decision making. We have always appreciated receiving your regular email updates and overall accessibility, but having you personally available on site was extremely beneficial.

Thanks again for presenting to our team. We appreciate all the work that you do.

Sincerely,

Paul Jewell, Chair

Laura Osiadacz, Vice- Chairman

Obie O'Brien, Commissioner
