Greetings

On March 17, 2016, the Board of County Commissioners enacted an admissions tax, per Kittitas County Ordinance 2016-003. This ordinance requires a 5% admission tax be collected and remitted on events that you are charging to participate in an activity.

According to the information on your website you are charging to participate in the haunted house, corn maze, field trips and other events you charge to attend. These are qualifying events to collect the Admissions tax.

The process is all completed electronically; you will register on the County's website and sign up to remit the 5% tax to the County/

In order to complete the registration process, you will need:
