Good Morning Marlene,

I am sorry the fax failed us.

You can just reply to this e-mail asking for reappointment. I don't need an Application for reappointing someone.

Hope this helps speed things up. Have a great day and as always feel free to contact me with any questions.

Thanks!

Hi Mandy,

I faxed a copy of my application to the Airport Advisory Board in earlier this year. If you can't find it I will resubmit.
