Re: Request to Publish Public Notice for Water Right Change Application

### Summary:

---

Kittitas County Public Health is requesting to publish the following Notice of Application in the Ellensburg Daily Record on October 18, 2017 and October 25, 2017:

That Kittitas County applied for a new groundwater right on October 5, 2015. The application was divided and assigned file numbers G4-35799(A), G4-35799(B), G4-35799(C), G4-35799(D), and G4-35799(E) to account for Ecology's determination of groundwater bodies in Kittitas County. Application G4-35799(A) was further divided into G4-35799(A), G4-35799(F), G4-35799(G), G4-35799(H), G4-35799(I), G4-35799(J), G4-35799(K), G4-35799(L), G4-35799(M), and G4-35799(N), which are the subject of this notice.

The applicant is requesting general permits, from which Kittitas County will issue mitigation certificates to those needing mitigated water rights for domestic water. The proposed purpose of use is domestic and multiple domestic, and use would occur year round.

Full notice attached.
