RE: End of Term - - Options for Commissioners

As my appointed term of service on the board for the Kittitas County Television Improvement District draws to a close, I look back on the work and successes of the District and the board. Successes from the past builds optimism for the future.

My current term on the board expires December 31, 201⁷. Having served multiple terms I stand ready to step down and allow a new person to be appointed. Chair Joel Underhill indicates there may be new people in our county interested in serving on the board. I stand ready to serve another term with the TV Improvement District and our county should reappointment occur. However, if a new person is to be appointed, I stand ready to step down at the conclusion of this year.

I always support bringing new people into positions delivering results for the many programs in our Kittitas County. And, as a resident of our county with interests in extending quality as process and result in our many activities, I stand ready to serve on the Kittitas County Television Improvement District board or, possibly, in other county positions.

If there is a person to be appointed, I stand ready to have my appointment expire and the newly appointed member to come forward as a member of the TV District's board. If there is no one ready to be appointed, I stand ready to serve another term.

Optimism continues for our successes in Kittitas County.
