### **Kittitas County COVID-19 Vaccine Update (17 of 17)**

The Kittitas County Incident Management Team (IMT) continues to focus its efforts on COVID-19 vaccinations. As of this week, everyone who wants the COVID-19 vaccine (age 16 and over) can sign up for an appointment. Currently, the IMT clinic appointments are full; However, additional vaccine locations can be found using the Washington State Department of Health (DOH) Vaccine Locator at <https://vaccinelocator.doh.wa.gov/>.

Individuals can also sign up for the Kittitas County Standby List via [www.co.kittitas.wa.us/health](http://www.co.kittitas.wa.us/health) to receive a last minute dose due to cancelations. You must be able to arrive to the Ellensburg Clinic in 20 to 60 minutes from notification in order to be on standby.

This week the IMT has requested additional doses of Pfizer vaccine in order to address vaccinations for youth ages 16 and 17. Additionally, IMT personnel is working with Central Washington University (CWU) to assist the campus as they prepare vaccinations for the CWU student population.

Help is available to sign up for COVID-19 vaccine appointments or to request accommodations. Please reach out to Central Washington Disability Resources (CWDR) for help at 509-962-9620. If you are a disabled adult or are over the age of 60 and would like sign-up assistance, please call Aging & Long-Term Care at (509) 925-8765 or (877) 401-2583. If you do not have access to help and you are not over 60 or have a disability, you can also call the vaccine question line at 509-933-8315.
